**STATEMENT TO SUPPORT SUBMISSION OF THE CRF COPY OF THE SEQUENCE
LISTING PURSUANT TO 37 C.F.R. §1.821(e)**

Sir:

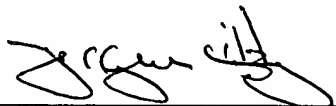

Pursuant to the provisions of 37 C.F.R. §1.821(e), Applicants enclose herewith one (1)
Compact Disc (CD-ROM) comprising a copy of the Sequence Listing in Computer Readable form
(CRF). The CD-ROM identification and contents are as follows:

CD No.	CD Identification	Name of File(s) on CD	Date of CD- ROM Creation	Date of File Creation	File Size, KB
1	Application no: 10/714,887 Docket No: MBI-0058CIP Copy 1: Sequence Listing in Computer Readable Form (37 CFR §1.821(e))	MBI0058CIP.ST25.txt	09/23/2005	11/12/2003	740

The enclosed copy of the Sequence Listing in CRF, MBI0058CIP.ST25.txt, is supported in the above-referenced application as filed because the instant Sequence Listing in CRF is identical in content to the paper copy of the Sequence Listing as originally filed with the above-referenced application on November 13, 2003. The enclosed CRF copy of the Sequence Listing is also identical in content to that of the CRF copies of the Sequence Listing on each of the two CD-ROMs, CD Copy 1 and CD Copy 2, filed with the above-referenced application on November 13, 2003. Therefore, no new matter is added by the submission of the enclosed CD-ROM containing the Sequence Listing in CRF.

Respectfully submitted,

Dated: September 23, 2005
